

TFC Financing Option for the Alderleaf Wilderness Certification Program

Tuition for the Alderleaf Wilderness Certification Program is \$8500. Alderleaf works with TFC Credit to allow you to finance up to \$6000 of your tuition. You can apply for financing by mailing **two credit applications** (one for yourself and one for your co-signer) to Alderleaf Wilderness College. Approval of your credit applications is required to receive financing. The following plan is available to qualified applicants:

TFC Financing Plan:

\$6,000 financed

38 month repayment period (which begins upon attendance)

15% interest rate

Co-signer is required

Automatic payment withdrawals from your account is required

Monthly payment to TFC: **\$199.32** (due on the first day of each month which begins upon attendance)

Here's how it works:

1. Fill out two credit applications (one for you and one from your co-signer) and mail them to Alderleaf Wilderness College. The credit application can be downloaded from our FAQ page.
2. Within one month of receiving your applications Alderleaf will send you a notification regarding acceptance for the TFC financing program.
3. An \$800 deposit is then due to register you into the course (if you have not already registered).
4. The remaining balance is then due on August 15th. The remaining balance equals the total tuition minus the deposit, minus any scholarship amounts, and minus the amount financed.
5. Your monthly payments to TFC then begin on September 1st.
